## Not Such Hard Times- A Strip-technique and Scrap Treat

### Materials List:

Cutting supplies: rotary cutter, ruler and mat

Routine sewing supplies

Sewing Machine, thread, etc.

Fabrics needed: At least 8 fabrics you like together- fat quarters (18" by 22 1/2") are a fine size

You may want to bring two different combinations.

### Fabric Selection Tips:

Try to avoid strong directional fabrics. Look for variety, don't bring fabrics that all look alike. If you are already working on some kind of super Sampler, think about making these blocks in those fabrics, or think of these as the start of a Sampler quilt- what fabrics would you like? Or assume classes are to learn a technique and not to spend a lot of time fussing with fabric choice and bring almost anything!
