

Strips of Stripes – Hansen

To make a couch throw you will need 1 ½ yard of the stripe. For bed quilt or to use the stripe as the border you will need 2 yards striped fabric.

Hot Tip: Choose the stripe first! It can be uneven, wavy or diagonal, but not one with real wide stripes. Lots of colors is good!

The fall quilt in the photo has 13 (fat or regular) quarter yard pieces to coordinate with the stripe; some light, some medium and some darks. The red & white quilt uses pieces 2 ³/₄ " x 32". They do not need to be ¼ yard pieces. Bring any coordinating scraps!

Optional Precutting:

8 strips of the stripe 1 ½" x 42"
