

## **AUTUMN PENNIES**

*45 1/2" Square Quilt*

*Designed by Kim Diehl*

*Keep in mind as you choose your prints that strong, rich colors will work very nicely with the tan and black hues that give this little quilt the look of a wool penny rug. Please prepare the items requested below for our class, but no more! I've found that if we all begin at the same point, we can accomplish much more during our time together. See you soon!*

### Project Supplies

*1 1/2 yards **total** of assorted print scraps (5" squares and smaller) for Penny block appliques*

*1 1/4 yards of black print for border and binding*

*7/8 yard of tan print for Penny block backgrounds*

*7/8 yards **total** of assorted medium and dark prints for Quarter-Square-Triangle blocks*

*2 7/8 yards of fabric for backing (not used during class)*

*51" square of quilt batting (not used during class)*

### Standard Sewing and Quilting Supplies, Including **Simple Seasons Book**, and:

*Sewing machine with adjustable tension, capable of producing a very small zigzag stitch*

***Note:** If your sewing machine has a knee-lift attachment, an open-toe foot, and a spool pin adapter to position your thread upright as you sew, please bring them. For students using Bernina sewing machines, if your model uses a bobbin with the little finger containing an eye at the end (frequently used for embroidery techniques), please bring it along.*

*Size 75/11 quilting needles for your sewing machine*

*Ironing board with a firm surface, and an iron (travel-size or mini applique irons work best in class situations, and can be shared between two people*

*Embroidery scissors and an inexpensive pair of scissors for cutting paper*

*Awl or stiletto with a sharp point (wooden skewers will not retain a sharp enough point through repeated use!)*

*.004 Monofilament thread in smoke and clear (my favorite brands are YLI and Sulky Invisible Thread)  
Neutral-colored sewing thread (a 50-weight thread works well for most machines)  
Freezer paper and pencil (mechanical is best)  
Fabric glue, water soluble and acid-free, in liquid (my favorite is Quilter's Choice by Beacon Adhesives) and  
stick form  
Fray Check is encouraged, but not required*
